METHODIST CHURCH

REV. E. D. LEWIS Pastor.

Every body is invited to be present at the Methodist Church Sunday morning and evening at the regular preaching hours; 11 a. m. and 7:30 p. m. and this is the last Sunday of the Conference year. The Subject of the morning will be "Christian Brotherhood." At night "The Journey of Life" will be considered. There will be special music by the union chorus choir. You will miss a treat if you fail to hear this good music.

There will be a rally day program given at the Sunday school hour. You want to come to this also. If you are not going to the Baptist Sunday school we extend to you a cordial invitation to come to the Methodist Sunday school. If you have not been going and you feel you ought to go to Sunday school let this be the day that you start. Come and enjoy the good program Sunday morning at 9:45.

As this will be our last Sunday at this place before the meeting of our Conference we desire to state that considerable progress has been made along all lines, and while more has been done financially already than was done all last year, yet the Church is considerably behind with the assessments, and it is very probable that the Stewards will be around to see you that you may help to raise the deficit. We hope you will willingly and liberally contribute that we may make a full report at Conference. A full statement may be published next week.

We will look for you at the services Sunday. Come.
